

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tedious it would actually be to tidy up your own house right after throwing a large party, with out aid from cleaning equipment. Back in the day, when upholstery and carpets had the dirt beat out of them manually; cleaning cloths, brushes and brooms were the best cleaning supplies during that time.

P.A. Fisker, the man who established Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Starting the company in 1906, he began to produce motors so as to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's vision from the beginning was to have a global business selling merchandise globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which could be operated by a single person as it just weighed 17.5 kilos! This creation came in a time where many cleaning machines were massive and needed at least 4 operators, thus, the Nilfisk C1 transformed everything and developed the way we clean forever. The brain behind these very first cleaning machines remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing crisis; things get filthy and have to be cleaned frequently, without a lot of effort.

Slowly, the business Nilfisk-Advance grew through the years. During the the early part of the 1980's the business developed more rapidly when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the business, aspiring to be an active worldwide player in manufacturing professional cleaning machines. Nilfisk-Advance is currently located in all parts of the world due to gradually obtaining lots of small businesses to be able to grow their product portfolio and presence in new markets. They are proud to offer a range of cleaning solutions to suit every requirement.
