

## Nissan Forklift Part

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on attaining total customer happiness when enjoying one of their car, truck or forklift products. They are fully committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with strong production principals, Nissan lift trucks offer some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering consumer support, the business has four separate manufacturing facilities that allow them to constantly adapt to their customers continually evolving needs by offering an assortment of innovative ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental accountability by using systems and processes that lessen their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally responsive organization.

Nissan is quite certain that any of their consumers questions and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
