

Fork Mounted Sweepers

Fork Mounted Sweeper - This accessory truly makes industrial sweeping work a lot easier to accomplish. The versatile forklift mounted broom is designed for use with either wet or dry material clean ups. It could squeegee water and push snow with ease. This particular accessory is frequently utilized to clean debris from warehouses, construction sites, docks, parking lots and nearly everywhere it is required. The forklift sweeper is a low maintenance attachment which uses quick-tite tine products to effortlessly mount to the lift truck.
