Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to offering new design concepts and top quality in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like providing items which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of workers enjoys new tasks and new challenges. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills together with their knowledge of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

When considered necessary, the employees within TREK and its numerous dealer members in both parts and in technical support would be available. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning equipment functioning and ready on a daily basis is top priority. The company's top of the line technology delivers dependable equipment which eventually lessens your cleaning cost. The service, the product and the price all work together in order to make them an industry leader.
