

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known in the business as strong and durable machines that satisfies the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind model of floor scrubber with the Clarke Company that is currently also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply warranty service, equipment and components for these types of scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of several facility supervisors where results and efficiency make a difference. Recently, this particular floor scrubber model has been utilized by the architects in various construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
